

Live-Action Virtual Team Building

Who Killed The Maid?

ONLINE CRIME INVESTIGATION GAME

A story-driven game set in the world of a hotel crime investigation. Participants become investigation teams and work together to solve the mystery of the maid's murder by analyzing evidence, following clues, and reconstructing the events.

During the game, players examine DNA traces, fingerprints, build a suspect profile, analyze evidence, and explore a virtual crime scene. The scenario creates tension from the very beginning and fully engages teams in cooperation under time pressure.

 1.5–2 hours

 Teams of 5 to 200 people

Benefits for the team

-  Shared analysis
-  Team responsibility
-  Better communication

Main attractions

-  Professional actors
-  Fingerprint analysis
-  Microscope evidence analysis
-  Suspect interrogations
-  Realistic crime scene investigation
-  Suspect profile creation

Sabotage

ONLINE ACTION TEAM BUILDING GAME

A unique online team-building action game, full of tension, teamwork, and quick decisions, built around a compelling story. What begins as a normal training session suddenly turns into a high-pressure mission when saboteurs attack, a colleague is kidnapped, and the team must react fast to stop the threat.

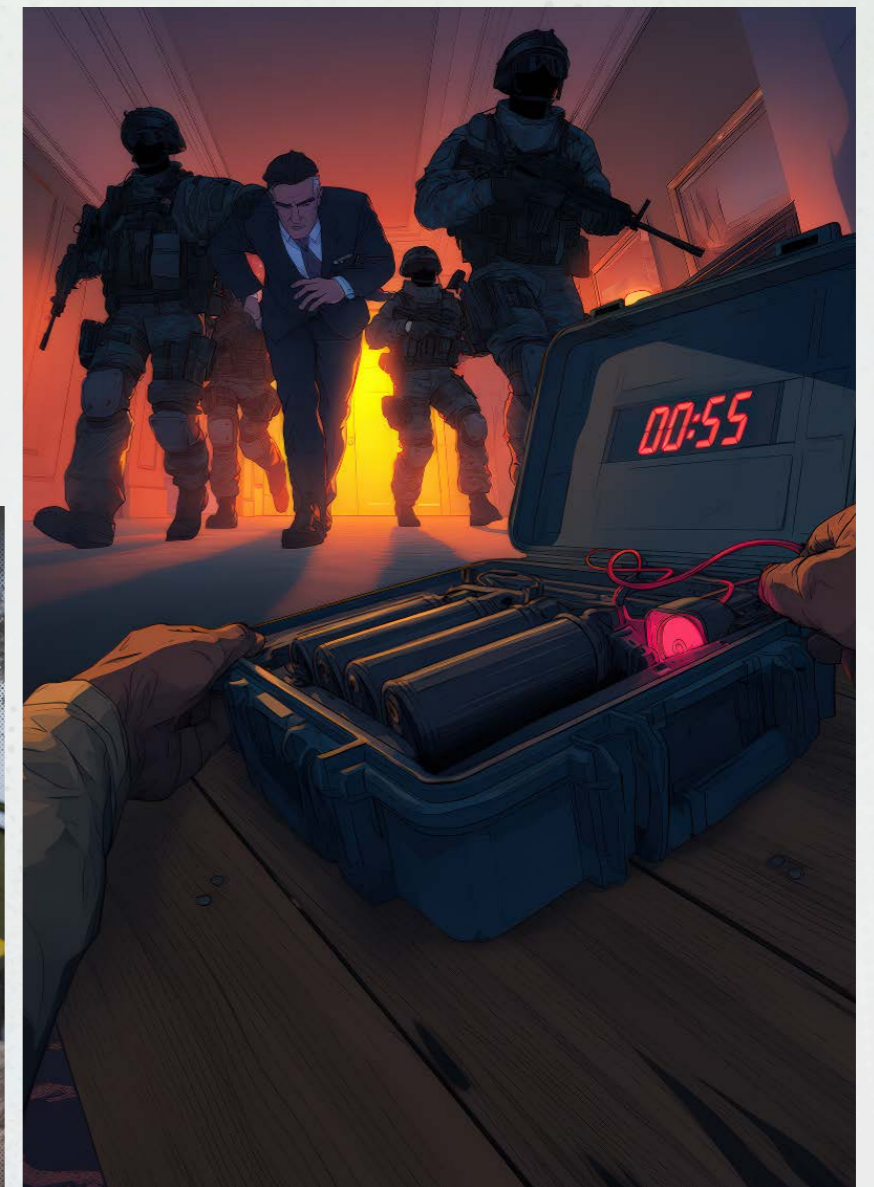

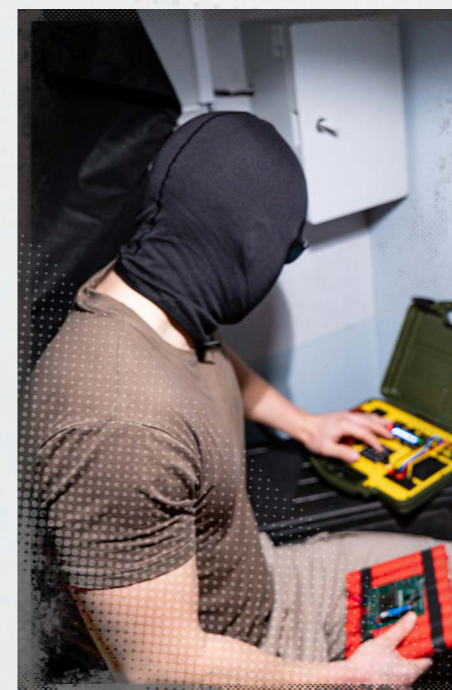

During the game, participants analyze the situation, prepare a rescue plan, complete multimedia challenges, and work against the clock to defuse the danger. Live interaction, professional actors, and unexpected plot twists make the experience immersive and highly engaging from start to finish.

 1.5–2 hours

 Teams of 5 to 80 people

Benefits for the team

-  Better communication
-  Teamwork under pressure
-  Stronger coordination
-  Quick decision-making

Main attractions

-  Professional actors
-  Rescue mission storyline
-  Bomb defusal under pressures
-  Multimedia challenges
-  Surprise plot twists
-  Fast-paced teamwork

Decissions

INTERACTIVE ONLINE THRILLER

A decision-based virtual team-building game where every choice matters. Participants enter a tense live thriller in which their decisions directly shape the story and influence the fate of a kidnapped woman. The game creates strong emotions, pressure, and full team involvement from the very beginning.

During the game, teams face difficult tasks, react to unexpected events, and work together under pressure to move the story forward. Live actors, a dark atmosphere, and a cinematic style make the experience feel more like an interactive movie than a standard online game. It is designed for remote and hybrid teams looking for something immersive, emotional, and highly engaging.

 Around 2 hours  Teams of 5 to 100 people

Benefits for the team

-  Shared responsibility
-  Decision making under pressure
-  Stronger engagement

Main attractions

-  Professional actors
-  Interactive live thriller
-  High-pressure decisions
-  Cinematic atmosphere
-  Emotionally engaging storyline
-  Tasks that shape the outcome

Online Escape Room

ONLINE ESCAPE ROOM GAME

A legendary game in an online edition where participants enter puzzle-filled virtual rooms, search for clues, connect story elements, and work together to reach the final objective. The format brings the classic escape room experience into an online setting in a way that feels dynamic, immersive, and easy to join for remote teams.

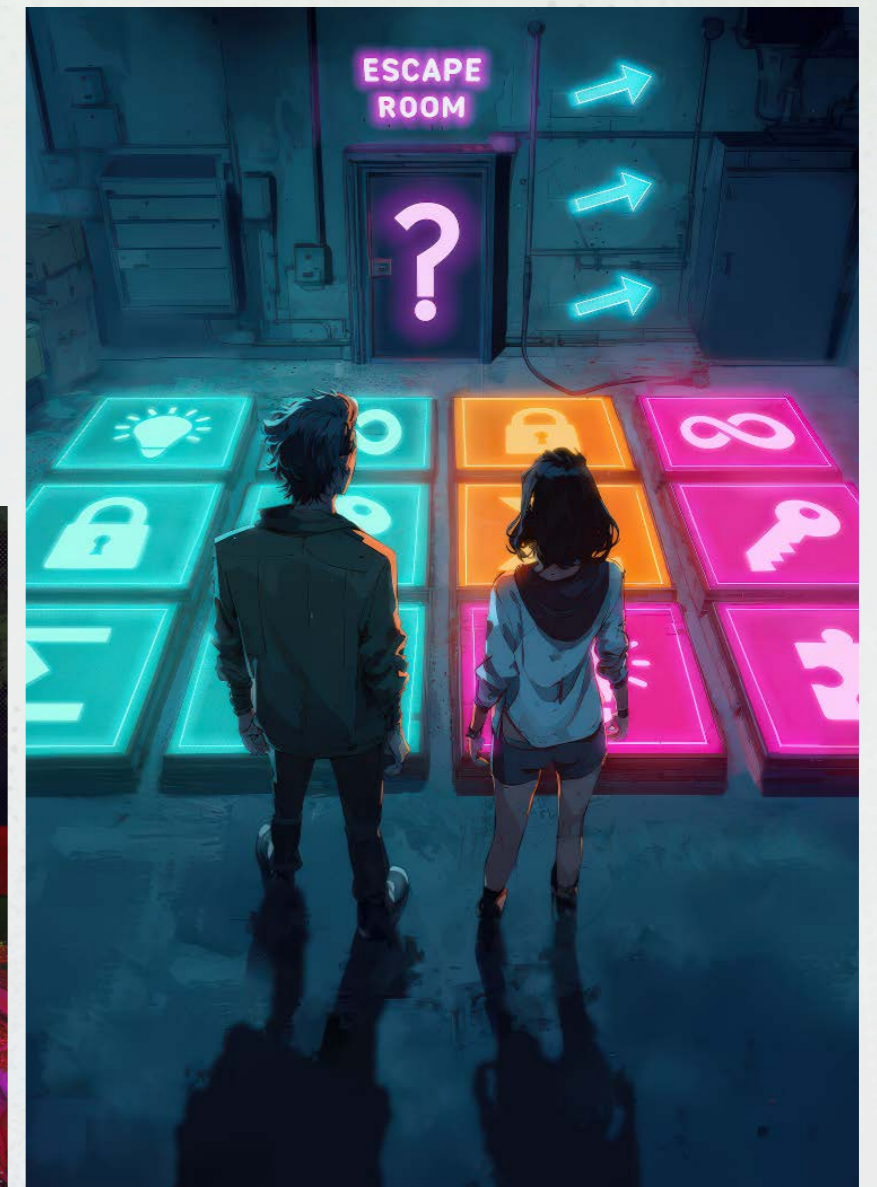

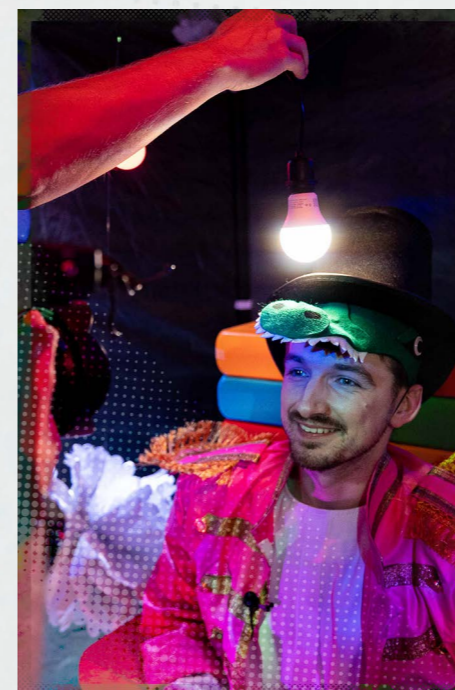

During the game, teams explore virtual spaces, solve linked puzzles, and follow one logical sequence of tasks to move the story forward. Each session is led by a professional host and can be run for both small teams and very large groups. The game is designed to support collaboration, focus, and communication in a fun and engaging way.

 1.5–2 hours

 Teams of 5 to 80 people

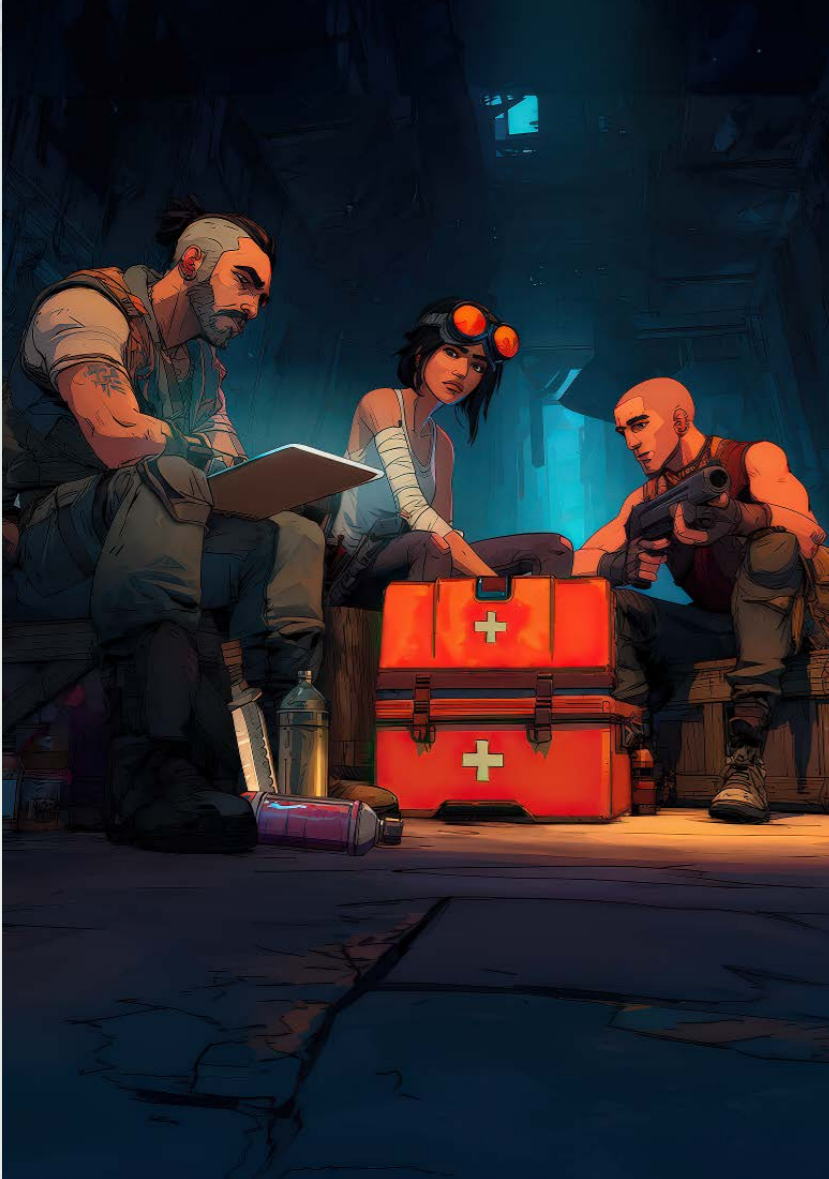

Benefits for the team

-  Better communication
-  Shared problem-solving
-  Stronger collaboration

Main attractions

-  Three virtual escape room scenarios
-  Story-driven virtual exploration
-  Puzzle-solving in logical sequence
-  Professional live facilitation
-  Scalable format for large groups
-  Custom version in your own virtual office

Apocalypse

POST-APOCALYPTIC ONLINE RPG

A virtual RPG team-building game set in a dark post-apocalyptic world, where survival depends on teamwork, strategy, and difficult choices. Participants enter a high-pressure mission shaped by limited resources, risk, and constant tension, where every decision can have serious consequences.

During the game, players take part in an RPG experience led by a game master and supported by professional actors. Teams use character skills, face elimination choices, and work together to survive in a world where quick thinking and smart cooperation matter at every stage. The format combines roleplay, strategy, and strong team interaction in a highly immersive online experience.

 1.5–2 hours

 Teams of 5 to 20 people

Benefits for the team

-  Shared analysis
-  Team responsibility
-  Better communication

Main attractions

-  Post-apocalyptic survival storyline
-  Online RPG format led by a game master
-  Professional actors
-  Decisions with real consequences
-  Elimination choices under pressure
-  Character skills that shape the mission

The Magic Of Cinema

ONLINE MOVIE QUIZ FOR TEAMS

A lively virtual team building game that takes participants into the world of Hollywood, film trivia, famous soundtracks, and iconic movie quotes. The format is light, fun, and social, making it a great choice for teams that want to relax, laugh, and enjoy time together in an entertaining online setting.

During the game, teams take part in a series of cinema-based challenges, including questions about international films, a music round focused on famous film composers, observation tasks based on edited movie clips, and a quote battle using well-known movie lines. The experience is guided by professional actors, lasts around 1.5 to 2 hours, and works well for groups of 5 to 100 participants.

 1.5–2 hours

 Teams of 5 to 100 people

Benefits for the team

-  Shared fun and team bonding
-  Active participation
-  Light and engaging competition

Main attractions

-  Hollywood-inspired team game
-  Film trivia and movie knowledge challenges
-  Music round with famous film composers
-  Observation tasks based on movie clips
-  Quote battle with iconic movie lines
-  Professional actors guiding the scenario
